### **Motovidlak Selected as Ernst & Young Entrepreneur of the Year Finalist for Second Time**

**Baltimore, MD** – For a second year, Business Health Services (BHS) President and CEO, Dawn Motovidlak, has been named as a finalist for Ernst & Young’s Entrepreneur of the Year Award in Maryland. The award recognizes Maryland leaders who have encouraged healthy growth, development and innovation in the local economy.

“I am thrilled to be recognized by Ernst & Young for a second time, especially during this shaky time of economic growth,” said Ms. Motovidlak. “We took a lot of risks this past year at BHS, despite the declining economy, and they have paid off immensely. I am especially grateful to my employees and colleagues for their faith and hard work throughout our growth changes... and in welcoming an additional company to the BHS family.”

Finalists were selected by an independent judging panel made up of regional business, academic and community leaders. The winners will be revealed at a gala event on June 18, 2010 at the Baltimore Marriott Waterfront.

Ms. Motovidlak was also named as a finalist for the award in 2007.

#### About Ernst & Young’s Entrepreneur Of The Year

Ernst & Young’s Entrepreneur Of The Year is the world’s most prestigious business award for entrepreneurs. The award makes a difference through the unique way it encourages entrepreneurial activity among those with potential and recognizes the contribution of people who inspire others with their vision, leadership and achievement. As the first and only truly global award of its kind, Ernst & Young Entrepreneur Of The Year celebrates those who are building and leading successful, growing and dynamic businesses, recognizing them through regional, national and global awards programs in more than 135 cities in 50 countries.

About BHS: Founded in 1983, BHS is a woman-owned and independently-operated nationwide provider of expert workplace wellness and Behavioral Risk Management solutions designed to reduce human capital costs, reduce organizational risk and loss, and support overall corporate wellness.
